NEWS

Enrollment

After enrollment on August 1st and 2nd, we are at 169 total head count of kids PK-12. We have our biggest numbers in our elementary with 93 students PK-5. We still have some families we are waiting on to enroll and should be at or a little under our enrollment at the end of the year last year.

Fall Activities

Fall practice starts on August 13th as coaches and athletes prepare for the upcoming seasons. High School football should have around 18 out, volleyball should have around 12, while cross country numbers will be around 8. With the new heat acclimation rules our coaches are making adjustments and will need to work together for our multiple sport athletes. We will kick off the season with our Gatorade Scrimmages on August 24 starting at 5:15 with our volleyball scrimmage followed by a Eagle Booster club meal at 6:00, the night will wrap up with our football scrimmage at 7:00.

M.T.S.S. Sustainability

As we prepare for the upcoming year we are reviewing protocols and making adjustments to para schedules to allow for more collaboration. We have established more time for our teachers and paras to discuss progress monitoring and interventions, we are hoping this improves the communication in this process.

Eagle Families

This year we will be introducing Eagle Families to our building. Each student, faculty, and staff member will be placed in a group of nine called their Eagle Family. We will meet once a month from 3:00-3:25 with our building families to work on activities, discuss, and build relationships. This is a great way for our building to develop relationships, role models, and build upon the togetherness that already exists. I am excited for this to start and can't wait to hear the feedback from all parties involved on how we can improve this.
