NEWS

M.T.S.S. Update

Our fall screener data showed growth from last year to this year with most of our classes. When looking at the data several of our classes reached the 80% in Tier 1. We have placed all of our Tier 2 and 3 students in interventions and have started progress monitoring them. All of the teachers and ISS staff have put in a lot of work and I appreciate all that they do for our students.

Fall Activities

As we enter the month of October fall activities are in full swing and it's hard to believe that they will all be ending shortly. Junior High football and volleyball will end their season this week. The volleyball team has a home match vs. Washington County on Thursday and the OTL tournament on Saturday. The Junior High Football team wraps up its season on Thursday vs. Troy. The High School Volleyball Team has two more triangulars left plus the TVL Tournament before starting Regionals at Onaga on October 17th. The High School Football Team will take on Hanover this week and travel to Frankfort next week before wrapping the regular season up at Doniphan West. Cross Country has the Riley County meet and the TVL meet before Regionals on October 20th at Washington. It has been an exciting fall so far and we are excited to see what the next couple weeks bring for our coaches and athletes.

5th Grade Native American Projects

Each year Mrs. Mathewson's 5th grade class does a presentation on Native American Tribes in our old gym. On October 10th students will present their tribe to other classes and guests in the afternoon. Each student selects a tribe and creates a presentation that includes a replica of their traditional homes and then a presentation. This is a great hands on activity for our 5th grade students as they learn Kansas History.

Site Council

Our site council met on Monday, October 01. Members for the Site Council include: Michelle Detweiler, Ben Sunnenberg, Elizabeth Kostal, Jenny Mathewson, Carla Meyer, Erika Buessing, and Julia Fischer. At our meeting we discussed school redesign, MTSS, and our KESA Action Plans. I would like to thank everyone for volunteering their time to help us bridge the connection between the community and school.

UPCOMING EVENTS
