Re: July 2019 Board of Education Building Report

Building Highlights:

Summer School and Drivers Education have been completed. SHS custodians continue to work diligently to ready the building. Patching and painting are underway in the upstairs hallways. The building is buzzing every day with Summer Weights and the multitude of athletic camps and tournaments.

Upcoming Events:

KSHSAA Summer Moratorium 7/1-7/7/19, SHS VB Camp 7/9-7/11/19, Missouri Western Math Placement Exam 7/15/19 @ 9:30 AM, Student Council Leadership Workshop 7/21-7/26/19, KAY Club Leadership Conference 7/29-8/2/19.

Innovative Learning Opportunities:

SHS is offering the opportunity for informal staff development, collaboration, and conversation four times throughout the summer. These sessions are offered in both an AM and PM format for two hours. A session on “Classroom Management and Effective Discipline” was held on June 7th. “Meaningful Change in the Classroom” was held on June 28th. July 19th will see a session on “Positivity, Happiness, and Perspective,” and the final session will be held July 26th on “Teamwork”. Staff members gather during these sessions to discuss topics in an effort to improve practice and to better support all learners served by the institution.
