June 11, 2018 - BOE Report

Commencement was held Saturday, May 12. The students conducted themselves in a manner representative of the fine young adults they are. I heard many comments from people who appreciated the dignified commencement program at Sabetha High School. I would like to extend a special thanks to our senior class sponsors, Mr. Garrett Michael and Mr. Nate Bauman, and everyone else that helped make this a special day for our seniors and their parents.
