

Special Bus Request

These requests will not always be possible, the decision will be based on our current bus stops, routes and the number of students entitled to ride the bus your student would be added to. We will however grant the request if we are able. Please be advised that this request needs to be filled out and returned to the District office. Once your request has been approved, you will be notified by either phone or email of the bus details.

***Note: If a driver does not feel comfortable leaving the child at the requested stop, they will bring the child back to the school and pick up will be the parents' responsibility.
