Building Report

December 2024 BOE Meeting

Academics: Our fastbridge math and reading winter screeners are underway and this mid-year check will be a great view into the progress of our student learning this school year so far. We will use this information to be able to provide targeted interventions for those students who need additional support and to provide enrichment opportunities for students performing on grade level.

Activities: SES 3rd grade students performed during the Veteran's Day performance at SHS on November 11. They performed very well and showed adaptability through some technological glitches.

Our 5th Grade students also had the opportunity to participate in the Growing up Giving program through Give to Grow match day. Thanks to funding secured through GSCF, students were able to contribute to the organization they felt called to donate to. They are beginning to learn the power of community support and making a difference.

Character Trait of the Month: I am excited to say that we will be highlighting students modeling a character trait of the month. They receive a certificate and a treat for modeling excellent character traits. November's character trait of the month was 'Caring' (pictured) and December's trait is 'Good Choices'.

UPCOMING EVENTS

- **Thursday, December 12:** 5th Grade Music Program @ 8:05am & 6:30pm (SMS)
- **Friday, December 13:** Early Release PLC @ 1:40pm
